## 2019-2020 Annual Sponsorship Program

As an active member of our local community, you know how much we value the education of our youth. That's why the Greentree PTA is committed to providing our local elementary school kids with the education and opportunities that will set the foundation for lifelong learning. Each year, the PTA and Greentree Elementary School administrators, teachers and staff work together to identify programs and resources that will ensure Greentree continues to provide our children with a quality education in a caring environment. But we can't do it alone! Irvine USD schools receive less per student than most other schools in the state of California. And this is where you can help.

This year we are reaching out to champions within our community to partner with Greentree PTA. As a Community Partner, your annual sponsorship will fund student programs and provide your organization with valuable exposure for the 2019-2020 school year!

### Choose Your Sponsorship Level:

#### \$1500 PLATINUM LEVEL

- Top placement of large size logo and name recognition for all 3 of Greentree Elementary's annual community events: Seasonal Fundraising Event (Fall), School Carnival (Spring), Jog-a-thon
- Logo and name recognition within Greentree Elementary's Innovation Lab
- Opportunity to host a table or promotional booth at all annual events

#### \$1000 Gold Level

- Placement of your medium sized logo and name recognition for all 3 of Greentree Elementary's annual community events: Seasonal Fundraising Event (Fall), School Carnival (Spring), Jog-a-thon.
- Opportunity to host a table or promotional booth at either Seasonal Fund Raiser or Carnival

#### \$500 Silver Level

- Placement of your small sized logo and name recognition for all 3 of Greentree Elementary's annual community events: Seasonal Fundraising Event (Fall), School Carnival (Spring), Jog-a-thon.

#### All Sponsorship Levels include:

- Exclusive use of the Greentree PTA Community Partner logo for your companies marketing activities throughout the year
- Opportunity to provide an approved promotional item/coupon during Jog-a-thon
- Logo and name recognition on PTA website and PTA communications (including email blasts) reaching our vast network of parents and community members

It's a triple win scenario for the kids who will be gaining enhanced programs throughout the school year, for our community who will be strengthened by your support, and for your company who will receive valuable marketing, exposure, and recognition! We hope that you will join us in our mission by investing in our community and supporting the students and families at Greentree Elementary School.

# About Greentree PTA

Eagles SOAR!

IUSD schools receive less per student than most other schools in the state of California, which means without the donations of time and funds from Greentree families and the community, many of the resources we take for granted would be unobtainable. Please support our community by participating in these programs, and get your family and friends involved! These fundraising activities are not limited to Greentree immediate families. We encourage community members and anyone with an interest in Greentree Elementary to participate!

Last year, the PTA funded approximately \$61,000 in programs and resources for our school. This year, the PTA needs to raise approximately \$75,000 to fully fund all of the programs currently budgeted.
